WHAT IS CO:WRITER?

Be proud! Your child is using Co:Writer at school to help grow and strengthen their writing skills. Below is a step by step guide to install and continue usage of your child's Co:Writer writing accommodations at home.

Co:Writer is a writing tool that uses word prediction, speech recognition and data to help better express ideas in writing.

GET STARTED

Here are the instructions on how to install Co:Writer at home. Just copy and paste the link in your browser: https://cowriter.com/

Keep the following information on-hand and in a safe place:

Child's Name: _____

Log in: _____

Password: _____

Ask your child to show you how to:

1. Use the word prediction

2. Create a topic

3. Use the speech to text

4. Auto-correct spelling errors

5. Adjust custom settings

Ask your child about their usage:

Since my last data talk I have written _____ words!

Words I'm trying to use now _____   _____

_____   _____
